

APS Chromebook Repair Costs

Due to the rising costs of parts and volume of device repairs, families will be charged for replacement parts on damaged chromebooks beginning this school year. The following examples are charges that may be assessed for Ashland Public Schools issued devices that are lost, stolen, or damaged while in a student's care and/or as the result of neglect on the part of the student.

Broken screen - \$50

Broken keyboard - \$50

Replacement Chromebook (lost /unrepairable) - \$225

Replacement charger - \$25

Students are expected to report any damage to their Chromebook as soon as possible and no later than the next school day.

If a student has a broken chromebook, please complete the [Service Request Form](#) on the APS website. Loaner chromebooks will only be available to those students whose device is out for repair.
